3585 Union Road, St. Louis, Prince Edward Island, C0B1Z0

This very affordable 3 bedroom home is in need of work however has great space and some of the works been done. Newer vinyl siding, newer windows, newer selkirk flu and newer fiberglass oil tank. It has some hardwood floors that would look beautiful with some work and the home is spacious. The barn is large and may need work and there is a shed on the property that needs work as well. It's a great chance for a family to have a few chickens, a horse etc. for so little. This home is being sold as is where is with no PCDS. All measurements are approximate and home details must be confirmed by the Purchaser.
